

Dedicated to building your dream.

Introducing Musgrave Building & Restorations Inc. - a construction firm owned and operated with 54 years cumulative experience building in the Central Florida area.

Jeff Musgrave is a third generation builder with extensive experience and a passion for historic home renovations and restorations and large custom homes including lakefront. He also has commercial experience in high-end retail tenant build-outs, restaurants and various other commercial projects.

Greg Jackson is a second generation builder with years of experience in large custom homes, new construction and home remodel, as well as commercial build-outs, including restaurants, offices, and manufacturing plants.

Shannon Musgrave, Allied ASID, has 15 years experience in interior design for both residential design as well as commercial offices, models and clubhouses.

Dawn Jackson is our detail guru. Her background is finance and process improvements and organizational re-engineering.
